
LARIOS ON THE BEACH

In 1992, we had the opportunity to open our first restaurant, Larios on the Beach, on historic Ocean Drive in Miami Beach. We did so in honor of my grandmother, Consuelo Garcia, who had made a wonderful career in food when she emigrated from Cuba to Miami, FL in 1962. We also wanted to further promote our culture and heritage through our food as we had done with our music throughout the world. We welcome you and hope that you savor two of the best things in life, food and music!

Enjoy! | Buen Provecho!
